Volunteer Information

Mr/Mrs/Ms/Miss _____ First Name _____ Middle Initial _____ Last Name _____

Address (home) _____ City _____ Zip Code _____

Phone (home) _____ Phone (work) _____ Volunteer Date _____ Date of Birth _____

☐ Male ☐ Female E-mail (personal) _____

Employer _____ Position Title _____

Volunteering with employer or group? (Y / N) _____ Does your employer match volunteer hours or gifts? (Y / N) _____ Group Name _____

Religious Congregation Name _____ Religious Congregation City _____

Requirements:

• No previous experience is required, just a willingness to learn and work hard. We provide all the tools and equipment needed.
• All volunteers must be at least 16 years of age to work on the construction site and 14 in the ReStores.
• All volunteers must bring this form, the Emergency Contact Form, Waiver of Liability and Work Crew Safety Forms with them.
• Minors must have a parent or guardian sign the minor's release and waiver of liability form and bring it to the construction site on the workday.

What to Bring to the Construction Site and ReStores:

• Sturdy, close-toed shoes (required).
• A Sack Lunch, unless your group is bringing lunch
• Sunscreen, hat and sunglasses
• A Water Bottle! We have large jugs of water on site to refill.

Our Mission

Habitat for Humanity of Greater Los Angeles builds and renovates homes in partnership with God and people everywhere with a goal of eliminating substandard housing by making decent, affordable housing a matter of conscience and action in our communities.

How does it work?

Through volunteer labor and donations of money and materials, Habitat builds and rehabilitates simple, decent houses with the help of the homeowner (partner) families. Habitat houses are sold to partner families at no profit, financed with affordable, no-interest loans. The homeowners' monthly mortgage payments are used to build even more Habitat houses. Habitat for Humanity provides a hand-up, not a hand-out. In addition to a down payment and the monthly mortgage payments, partner families invest hundreds of hours of their own labor - called sweat equity -- into building their Habitat house and the houses of others.
