Dear Trinity Student,

God's blessings to you in this exciting time of your life and education!

Please find attached this year's Trinity scholarship application, complete with instructions. For those of you who are new to the opportunity, we hope you enjoy a process that seeks to celebrate the skills and abilities of all students. Rather than simply rewarding performance—a merit-based approach—Trinity's Ministry of Scholarships is taking a more grace-based approach, seeking to support education for any number of good and productive reasons.

There are four scholarships available this year with amounts ranging from \$300 to \$1,000. Per the founders of the scholarship funds, all Trinity applicants are eligible; special consideration will be given but is not limited to students planning on entering the Lutheran ministry/clergy, teaching, health profession, social work and majoring in humanities.

The **deadline** for scholarship applications is the end of the business day, **June 1, 2018**. You can return your application electronically (trinitymatters@besidethesea.org), send it by mail (1340 11th Street, Manhattan Beach, CA 90266) or make arrangements for a hard copy to be hand-delivered to the church office.

Trinity Scholarship application instructions are available on our website's [resources page](#) @ www.besidethesea.org.

Best wishes on your Trinity scholarship application as well as with other sources of financial aid, and with the remainder of this school year. We look forward to seeing some of you at worship.
